MESSAGE FROM KATHY McDONARD

**ASSOCIATE DIRECTOR
DEPARTMENT OF FITNESS,
RECREATION & ATHLETICS
WOMEN'S PROGRAM**

Welcome to the 15th "CLASSIC" Basketball Tournament at Concordia. This year the tournament has added a new twist. We are providing opportunities for two levels of team play this year, university and junior college. We hope everyone — coaches, athletes and spectators — enjoys this concept. It is an approach we want to develop in the coming years.

I'd like to thank the various sponsors of our tournament namely, Cafe Caféine, Brazilian Coffee/Santos, Belvedere Motel, Bel Art Trophies and Papillon Des Rhodes Restaurant and especially our major tournament sponsor, Brooks.

Best of luck to everyone and I hope you enjoy the tournament.

CONCORDIA WOMEN'S BASKETBALL

POLY STEVENS CONCORDIA HEAD COACH

Poly Stevens has a lengthy association with the game of basketball. It began at Mount Royal High School, where she played four years at point guard and gained notice as an excellent passer. Staying close to her native Town of Mount Royal, Poly graduated to the CEGEP ranks and St. Laurent's Vanier College, where coaches Charlie Smith

and Ken MacAuslan inserted her in the starting lineup immediately.

After graduating from Vanier in 1975 she spent that summer touring Canada and the United States with the Quebec provincial all-star team. Acadia University of Nova Scotia liked what they saw and recruited her to play there. While Poly only spent one season on the team's roster, choosing to concentrate on her studies, Acadia marked the start of two very important factors in her life. Her coaching career was launched when women's coach Trevor Slack asked her to come aboard as his assistant for the 1979-80 season. And it was also at Acadia that Poly met her husband, John Stevens, who was a standout lineman for the Varsity football Axemen.

When John, a native of Quincy, Massachusetts, was hired to coach basketball at St. Joseph Junior High School in Holbrook, Mass. in 1980 he took his wife along. For two of three seasons they were there, she served as his assistant and gained valuable experience.

LOUISA ZERBE CONSULTANT

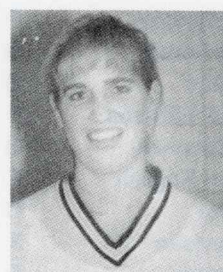

Serving as a special consultant to Stingers head coach Poly Stevens this season is Louisa Zerbe, whose background in basketball and athletics for that matter is extensive. Her role at Concordia is essentially to provide help to Stevens in the develop-

ment of the women's basketball program.

Louisa is by no means a newcomer to the varsity scene. She spent the past seven years as head coach of the University of Lethbridge women's basketball team, winning Canadian Interuniversity Athletic Union (CIAU) coach of the year honors once and Canada West Universities Athletic Association (CWUAA) mention twice. In 1985 she led her team to a third place finish in the Nationals.

Louisa is currently on a one year leave from the University of Lethbridge as Head Women's Basketball Coach. Concordia considers itself fortunate to have Louisa available to work with Stevens and the women's team this year. Her experience and knowledge will be very helpful in Concordia's effort to achieve excellence in Women's basketball.

MARTYNE FOURNELLE MANAGER

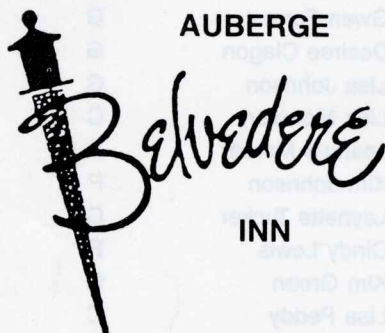

After a year of playing for the Concordia women's basketball team Martyne has decided to stay involved with the program in a different way. A second year Exercise Science student the 20 year old native of St. Eustache

is now the team manager.

For Martyne, the most important thing in her life is to become an athletic therapist. In pursuit of that goal she realized that the best way to see that happen was quitting basketball as an active player. However, since her enthusiasm for the game remains ever so present the managerial job was an offer she could not pass up. Her duties are to help head coach Poly Stevens and get some experience as a team therapist at the same time.

Martyne hopes she can make life easier on the coach by handling most administrative tasks as well.
